Wheat Ridge is many things. It is a place to meet, a place to create, a place to talk, a place to listen, a place to work, a place to play. It has many meanings to all. Most of all it is a place to learn.

We have learned the meaning of loyalty, the value of friendship, the glory of victories that triumph over past defeat. Thus at Wheat Ridge we have been prepared to face the challenges of the future and we strive that our future achievements shall add to the honor of Wheat Ridge High School.

Sophomore lovelys leave the Homecoming game

Seniors remain undefeated with another victory

Homecoming Week 1966 will be pleasantly remembered as having been filled with spirit and enthusiasm. The only disappointing aspect was the snowy weather which postponed the game. The caravan, the pep rally, the "spirit hats" and the many other activities were all directed toward our game with Jefferson. The Farmers scored 42 points to the Saints 6. Wrapping up the week's events the Student Senate presented "Hometown Charm," this year's Homecoming dance, featuring the tremendous sound of our own "Action Brass," gingerbread, and sarsaparilla.

Greeting you with open arms

No one will deny that the senior class play began with a bang and ended a success. In between a plot that included rib-tickling irony, a tense blackmail set-up, and a desperate murder entertained near capacity audiences on November second, third and forth. The cast under the direction of Miss Lynen and the student directors Ann Gross and Dave Hill spent long hours of hard work to make the "Gazebo" one of the most hilarious plays ever presented at Wheat Ridge High.

Put on a happy face.

Outstanding girls from throughout the state will long remember and draw on their vast and important experiences of their week at Girls State. Girls gain knowledge and insight of the American government through the American Legion Auxiliary's program of Columbine Girls State. The brief week is spent in instruction and formation of mock city, county, and state government organizations. The two party system of our American democracy is explored and applied to the 314 member state of Columbine.

Another important aspect of Girls State is to instill in each girl the importance of a woman's place in our modern world. Women, especially Girls State girls, no longer have a passive role in the realms of politics, science, or any other field of our expanding society.

## BOYS NATION

Boy's Nation was held during the past summer at the University of Maryland in College Park, Maryland. Attending from Wheat Ridge was Rick Sewell, one of the two delegates chosen from the state of Colorado.

The Boys Nation Program is sponsored by the American Legion and is designed to develop a working knowledge of the American form of government.

During the program, the Boys Nation representative from each state visited the House of Representatives and the Senate. The representatives also had lunch with the senators from their respective states.

Rick was fortunate to have met and eaten lunch with the Senators from New York and Massachusetts, Robert and Edward Kennedy.

## LEADERSHIP

### CONFERENCE

This is the second year that Colorado has held a leadership conference of this type. It was held in late June of 1966 on the Colorado State University campus. This conference was attended by student body officers and representatives from all areas of Colorado. Wheat Ridge's representative was Burke Robinson. The problems of student councils were discussed and ideas were exchanged between schools.

## BOYS STATE

In June of 1966, five boys from Wheat Ridge High went to Boys' State. The American Legion sponsored the event. It was held on the C.S.U. campus in Fort Collins. Lasting a week, the integral functions of state government were learned first hand in addition to rigorous use of parliamentary procedure. All learned the advantages and disadvantages of power politics and put them to use. Several distinguished men addressed the entire group including Scott Warner of the F.B.I., Paul Jasa, a refugee from communist Czechoslovakia and Donald Brozman now a U.S. Representative. Highlighting the week's activities was a trip to the State Capitol where the Boys' Staters divided into Senators and Representatives and proceeded to pass their own legislation. Everyone who attended left with a greater understanding of democracy, a greater sense of leadership and a feeling of true American Patriotism.

### VARIETY SHOW

WheatRidge students and faculty once again exhibited their talent at the annual Variety Show on November 17th. A delighted audience enjoyed a variety of acts ranging from monologues to a waltzing flower ballet. Everyone attending found it to be a fun-filled evening with lots of good entertainment. The enthusiasm and talent of the participants made it a memorable evening.

Alfonso Gutierrez

This year the American Field Service exchange student at WheatRidge High School was Alfonso Gutierrez, from Costa Rica, Central America. During his stay here he lived at the home of Mr. and Mrs. Alfred Covillo, the parents of Mike and Kathi.

During the day his life was kept busy with courses like; English, Spanish, typing, biology, and American History. After hours he was an active member of Spanish Club, International Relations Club and Senate.

When asked how he liked it here Alfonso said, "I loved it!"

# STUDENT EXCHANGE

This year's Student Exchange was with Roslyn Heights High School in Roslyn, New York. They arrived here on February 18 for a week's stay. The purpose of the exchange is to give the students taking part, a chance to be exposed to a different school environment, teaching methods, and administration.

The Exchange club used several money making projects to entertain the fifteen students from New York. These projects included carrot and pickle sales, donut sales after school, a paper drive, a spaghetti dinner, and a barn. With these funds, the exchangers toured the Air Force Academy, Coors, the State Capital and Larimer Square. One day was devoted to skiing at Winter Park, the first time many of the New Yorkers had been on skis. Parties and pot-lucks rounded out a wonderful week for both exchanges. In April, fifteen Wheat Ridge students will fly to New York. They are as follows: Cindy Braden, Pam Carr, Randy Choun, Chuck Frazier, Stan Frizzel, Tony Garramone, Patty Jubrias, Anne Larson, Ora Maynes, Mike Mooney, Rene Ova, Cindy Ryan, Bob Short, Karen Walker, I Westbrook. Alternates: Rick Carr, Carol Eddy, Beth Koepke, Judy Walker, Russ West.

## PEP CLUB FORMAL

"La Neige la Nuit et Nous" was the theme of the Pep Club formal this year. A tree lined courtyard, softly illuminated by gas lights, opened onto the dance floor. Music was supplied by the "Collectors of All Kinds" and ski sweaters and pants were in order. The shuttered windows and a huge fireplace enhanced the ski chalet decorations, which were directed by Roxy Mischke and Ora Maynes. All in all, the dance was an unquestioned success.

# PEP ASSEMBLIES

Throughout each athletic season, usually once a week the student body of Wheat Ridge High enjoys the pleasures of a spirit-building pep assembly. Judy Rich, as head cheerleader was in charge of co-ordinating the pep assemblies, with interested parties and clubs volunteering their services. They usually consisted of a speech by one of the coaches, numerous cheers and a skit.

# THROUGH THE YEAR

Throughout the year there is a part of school life that is rarely depicted. But these are the things that make a school more than just an edifice, and students more than a student body. In time the memory of these happenings, be they fashions, controversy or strife, will be erased. Perhaps the photographs will help us to better understand ourselves as teenagers today and in days to come.

## STATE

1966 has proven to itself to be quite a year for the students at Wheat Ridge High. With assistance from spirit tantalizers like funny hats, balloons, and the dynamic duo; Tony and Daisy spirit ran high for weeks.

Activities were climaxed with the Senate pep rally but not before George Washington had issued a declaration of war. Unfortunately for them, however, it proved to be a very small threat.

# STATE FOOTBALL CHAMPS

"Powerful Farmers Rip Wasson 19-7"

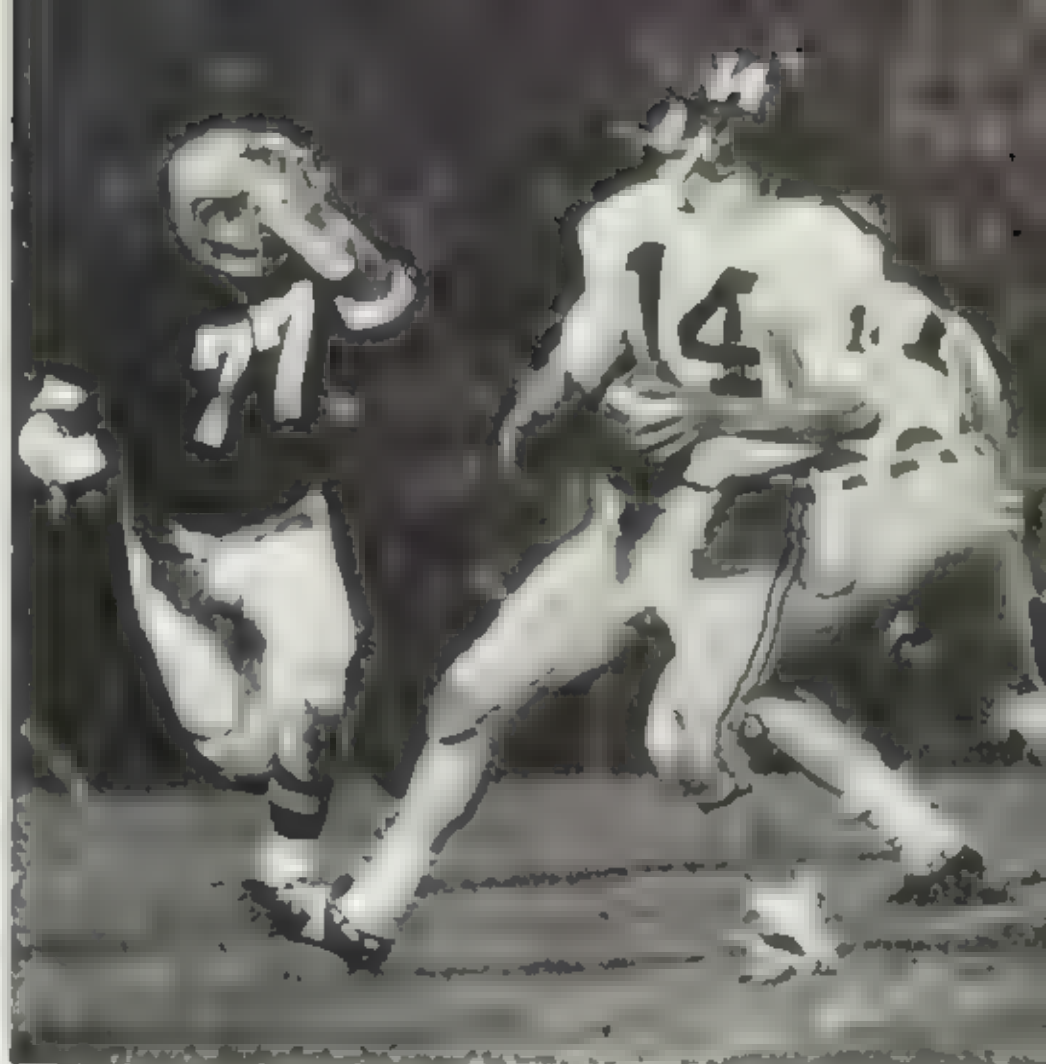

"Mitchell's self-confidence has been a big factor in the Wheat Ridge success story, and according to Coach John Cuats, the stellar fullback is largely responsible for the poise which has now become a Wheat Ridge trademark."

Dave Dirks "Bolsters Farmer line in bid for championship"

"Asked about how bringing Wheat Ridge High School its first state football championship, in his first year as head coach, Coats said simply and emphatically, 'just great'."

"Behler's clutch passing brought Wheat Ridge another score 3-14 later."

This title was not won in just one year. It was the end result of at least three years of hard work and dedication on the part of both the athletes and the coaching staff. The foundation for this year's championship team was laid in the fall of 1964 with a group of unorganized sophomores. With two years of labor, the coaching staff formed those unorganized sophomores into the nucleus of a championship team. In the fall of 1966 with the arrival of Coach John 'Red' Coats and his new pro-type offense, the Wheat Ridge football team was able to reach the highest attainable goal in the state.

Upon graduation, these boys will move in different directions, but they will never forget the feeling of pride they had when their three years of hard work and dedication proved itself to be worthwhile.

Coach Don Cooper

This year's cross country team was one of those teams that brought quite a bit of attention to Wheat Ridge High but unfortunately received little recognition from the student body. Did you know that our cross country team was undefeated in the league and were the conference champions or that they were the Jefferson County Invitational Cross Country Relay Champions? During those morning announcements did you ever bother to note that Coach Cooper's fall team placed 3rd in the Aurora Cross Country Invitational and 3rd in the Denver Cross Country Invitational? Most importantly did you ever hear around the halls that our team placed 3rd in State?

Coach Cooper said after the 1966 season was over, "These were a wonderful group of guys with which to work, and I had a lot of fun helping them. By far I think they are the best group of runners I have coached."

With Mr. Cooper's assistance in running with the boys at Berkeley and Paramount Parks and in the mountains the team developed into one of Wheat Ridge's best especially in the form of Bob Bigum, Kent Ingram, Don Taylor, Ron Martinez, and Greg Denman

The diagram illustrates a multi-layered system with three distinct layers of nodes. The top layer consists of a grid of nodes, with a central node labeled 'a'. The middle layer also consists of a grid of nodes, with a central node labeled 'b'. The bottom layer consists of a grid of nodes, with a central node labeled 'c'. Arrows indicate connections between nodes in adjacent layers, showing a flow from the top layer to the middle layer, and from the middle layer to the bottom layer. The diagram is labeled with 'a' and 'b' at the bottom.

The Academic Achievement pin of Jefferson County is given at the end of the year to the top five percent of the students of each class. The ranking is figured only on academic subjects and is based on grades from the spring semester of 1964-1965 and the fall semester of 1965-1966. First year winners win bronze pins, second-year winners receive silver pins, and third year winners earn gold pins. Those listed in the Club Roster are winners for the year 1965-1966.

The Concert Choir has had an exciting year this year under the direction of Mr. James Dalton. A Christmas program of music varying from the traditional carols to a modern number "What is a King" by a Jefferson County elementary music teacher Wayne Simpson. After attending All-County Choir, the choir traveled to the Broadmoor in Colorado Springs as one of three choirs selected out of over 100 from a 14-state area of the Southwestern Music Educator's Conference. A very modern program was presented, which included the number "Somebody Said It Couldn't Be Done" composed by Jefferson County's composer in residence, Joel Mofenson.

# IRC

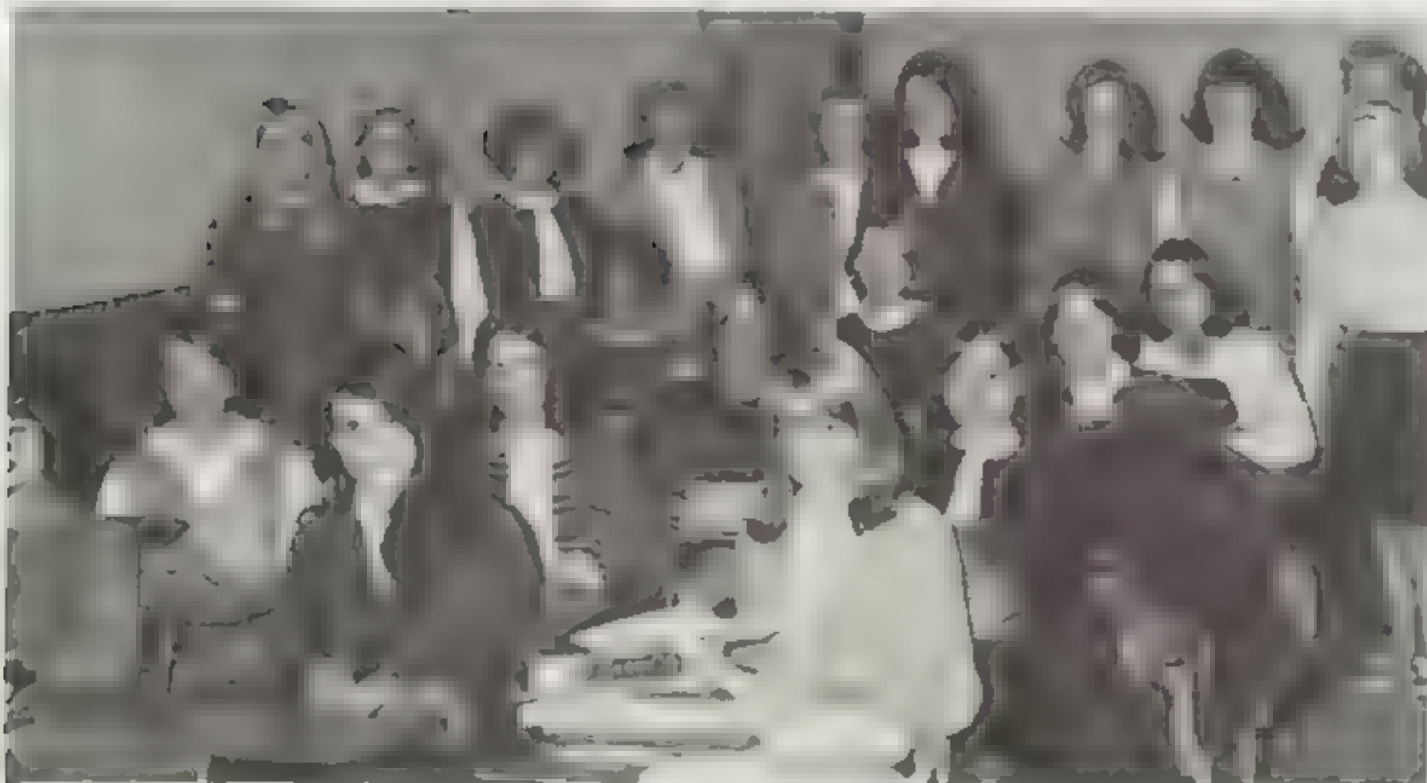

The Colorado School of Mines sponsored a United Nations Week in which our International Relations Club participated. On the final day, International Day, several high schools presented exhibits which represented a country of their choice. Our club chose Easter Island. The exhibit received first place in originality, which was quite an honor. It was the first prize won by our International Relations Club this year.

The major activity of the I.R.C is to attend conferences on various topics of foreign policy. These conferences also provide an excellent way of meeting high school students throughout Colorado.

# AWARDS, AWARDS, AWARDS

Throughout 1966 and 1967 Wheat Ridge has received many awards for scholastic and sports competitions. There will be many more in the last months of school. Here are listed just a few. (Through February 67)

14 students selected for all-state orchestra — only school outside of Denver schools to ever receive the most chairs in the all-state orchestra

The Concert Choir was selected as one of the five school choirs to present a concert at the Southwest Music Educator's National Conference. They were one of the twenty-eight groups selected to appear at the four day conclave of music educators from the fourteen southwestern states.

5 "straight A" seniors-Dave Dirks, Karen Walker, Ron Route, Ernie Eason, Mark Loye.

**State AAA Football Champs**

**Bob Mitchell-Leading football scorer in Colorado.**

Fred Steinmark-Gold Helmet Award as the best football-scholar in Colorado; selected to Colorado Sports Hall of Fame as the Best All-Around Athlete in Colorado; The Warren Pickford Memoriae Award given to the top athlete-scholar in the state.

Cross Country Team-Conference Champs, Third in state.

Mike Sherrard-Bosch & Lomb Science Award Winner.

Candy Kesner-chosen as "Junior Miss" for Jefferson County by Junior Chamber of Commerce.

Karen Walker-only girl ever to be selected by The Colorado Chapter of the National Association of Professional Engineers to represent the state in National Scholarship Competition.

Bob Bigum-placed 4th in the State Cross-Country Meet-made the All-State Team.

Ralph Lopez-placed 4th in the State Wrestling Tournament at 103 pounds.

Jim Stephens-District Wrestling Champion at 138 pounds.

Rick Eskildson-District Wrestling Champion at 154 pounds.

1st All State Football Players-Fred Steinmark, Dave Dirks, Bob Mitchell, Roger Behler

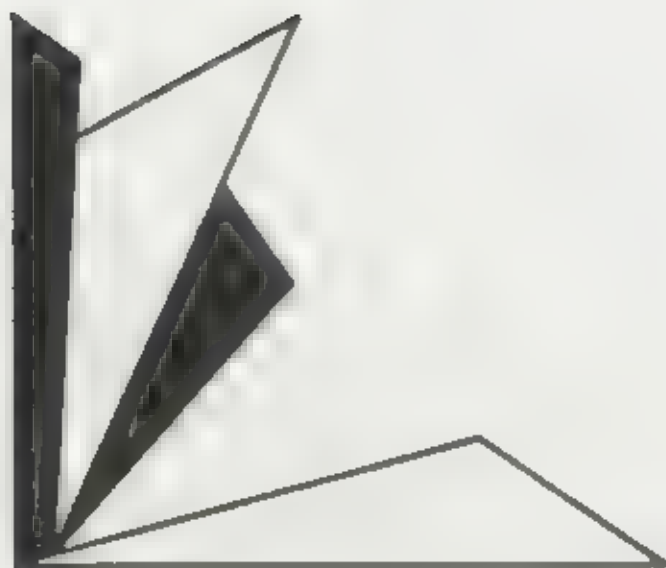

Wheat Ridge High School was one of thirty schools in the U.S. invited by the University of Chicago to take part in a mathematics and science institute.

21 National Merit Semi-Finalists-5 were from Wheat Ridge

# SENIORS OF THE YEAR

After the second semester, each teacher made nominations of deserving seniors who have served Wheat Ridge throughout high school. Then the list was compiled and the teachers voted for 21 seniors. Thus we present the Seniors of your Hall of Fame.

# PROM-'67

Prom, 1967, created an air of expectation because for the first time Wheat Ridge High was to have its prom off school grounds. Located at the Villa Italia Forum, the Junior-Senior Prom presented the Garden of Aphrodite as it's theme. The couples danced to Dave Roche and his orchestra. Everyone agreed it was a grand success. Certainly the 1967 Prom was the most elegant prom ever.

## THE ACTION BRASS

The Action Brass brought fame to Wheat Ridge as well as to themselves. The band, composed of five Wheat Ridge High boys and one from Manuel High in Denver won the "Battle of the Bands" contest. Hundreds of bands throughout the state competed in their communities to be selected as finalists. There were some twenty-two finalists and the Action Brass then went on to win the state contest and so be designated as the best band in the state of Colorado. The winner's prize? \$5,000 in scholarships to the band members and an all expense trip to Boston to compete in the national contest.

Pictured to right is the Action Brass. **FRONT:** Gene Brown trumpet and base; **BACK,** left to right: Jim Johnson- base, clarinet, arranging; Larry Greene- lead singer, guitar; Doug Winegar- Drums, arranging, marimba; Marc Greene- trumpet, arranging, singer, spokesman; John Gray- trombone

Miss Vernon is giving the oath to the newly elected Thesbians. These people have contributed at least 100 hours in acting, backstage activities, and producing plays.

A one act play was the entertainment for the banquet. Surprising, is it not?

Anne Gross is being congratulated for winning the Byron Weizel Award. Each year the Drama Department gives the award to the senior student who has contributed the most to promoting the plays put on at WRIIS.

Again this summer some twenty lucky Wheat Ridge High students went to Europe under the Alliance for Progress program. Their time was divided between studying at schools over in Europe and traveling throughout Europe. One-half credit was received for their school work. Campuses attended were in France, Spain, and Switzerland.

These photographs from last summer's tours show just a few of the exciting places the students went. Mr. Mahaffy, the head coordinator for this area, advises everyone who is interested to start saving up so that they too can shoot across the ocean come next summer.

Well, it can't be all fun- there is the slight matter of getting immunization shots. But "be brave" Greg, it will be over soon

# CONTEST PLAYS

Wheat Ridge High School again hosted this year the Central District Qualifying Drama Festival, a contest to determine the best drama departments of the high schools in Colorado. Each school was judged on the quality of its thirty minute performance. Those high schools participating in our district meet this year were Jefferson, Sheridan, Littleton, Thomas Jefferson, Bear Creek, Englewood, Alameda, and Wheat Ridge. The qualifiers advanced to the State Drama Festival at C.U.

Wheat Ridge presented "Two for Tennessee", two short plays by Tennessee Williams. They were directed by our drama coach, Miss Mary Ann Lynen.

# THE EXCHANGE

On the return visit to Roslyn, New York, 15 exchangers and 2 sponsors were bade farewell by their assorted friends and parents at Stapleton on April 15. The fifteen exchangers were greeted by a New York sunrise as they landed. This was the start of ten wonderful days in Roslyn Heights, a suburb of Long Island. The excitement began with a school assembly and the presentation of a "Ski Country" poster to Roslyn High School by the WHS exchange. Trips into the city and picnics on the beach highlighted the trip. Before one knew it the ten short days had flown by and it was time to leave all the good friends and great times you had known there. Wheatridge has learned many things about schools in different sections of the country by coming in contact with their students. We hope some of the friendships formed this year will be lasting ones.

# BLUE AND GOLD DAY

The last big school event before graduation was Blue and Gold Day. Heavenly downpours forced the picnic to be inside. This didn't diminish the fun, however. Picnic blankets were set up in the main hall and with 1600 students all in one lunch period it was a near riot. One enterprising student had his mother bring a vat full of spaghetti. The assembly after lunch included the presentation of the new student body officers, the cheerleaders for 6-68, the letter girls, royalty for the Blue and Gold Day dance, and the excellent class skits. The highlight was the announcing of the winners of the spirit award. The seniors, class of 1967, scored the most total points during the year and claimed victory. The Blue and Gold Day dance comaxed an end of school activity for the year.

What knows what to bring?

# THE FABULOUS CLASS OF '67 GRADUATES

On the fifth of June the Class of 1967 graduated. No other class has ever compiled such an impressive record of achievement — in athletics — in extracurricular activities — and most important of all in academic achievement and scholarship. As Mr. Solem stated and who cannot agree, the graduating class of 1967 will be long remembered and certainly has made a place in the history of "WRHS!"

HAPPINESS IS  
GRADUATING

This year the senior class had four valedictorians. The "straight-A" students are Mark Loye, Dave Dirks, Karen Walker, and Ernie Eason

Patti,  
It's really been a  
bitchen, you. Right.  
I don't know how we  
made it through this  
But I guess we did.  
I don't have to tell  
you to make the fun  
and the love scene this  
So have a great time.  
See ya next year.
